

MediStreams To Exhibit at AAHAM 2017

Catch the Revenue Cycle Rhythm at Booth 305

([PRWEB](#)) October 06, 2017 -- MediStreams, a leader in streamlining the complex remittance process, will travel to Nashville October 18-20, 2017. They will exhibit at the The American Association of Healthcare Administrative Management (AAHAM) 48th Annual National Institute (ANI), “Catch the Revenue Cycle Rhythm” where nearly 500 National members will come together to further their knowledge and education in Patient Account Management.

AAHAM is the perfect venue for MediStreams to showcase their suite of products and services designed to automate the entire remittance and payment process. The MediStreams team looks forward to networking and sharing how our solutions can resolve challenges for healthcare billing offices to successfully apply payments, reduce costs and alleviate manual inefficiencies.

MediStreams executives and operations staff are career healthcare revenue cycle experts. Visit Jim Coyle, CEO and Donna Carr, Sales & Marketing at Booth 305 to learn about the MediStreams ten-year online archive of all remittance images and data with customized services for ERA normalization, Paper EOB Conversion, Correspondence Processing/RAC Audit Workflow, Medical Lockbox and EFT/ERA reconciliation.

MediStreams LLC

MediStreams, Incorporated in 2009, provides outsourced Healthcare Revenue Cycle Management services for healthcare billing entities. MediStreams HIPAA compliant platform automates the flow of all healthcare payments. MediStreams unique service delivery model accelerates the posting of remittances, eliminates manual processes and significantly reduces overhead costs.
